

DISCONTINUATION OF VAGDNA ORDER VAGPCR

Effective June 30, 2021, TriCore will no longer perform VAGDNA. TriCore requests that its clients:

- Stop ordering VAGDNA.
- Order VAGPCR, (test code VAGPCR) Vaginal Panel by Real Time PCR.
Alternate names: bacterial vaginosis, Candida, Trichomonas, yeast.
- Collection Container: BD MAX UVE collection kit (Note: urine is NOT an acceptable specimen)
- Temperature Stability: Ambient = 8 days | Refrigerated = 14 days | Frozen = unacceptable
